Orientations are an informational introduction to the program, designed to give an overview of the program and application process, as well as answer questions. Orientations are **not mandatory**, but are highly recommended. Please email Katie Garchar at [kgarchar@oaklandzoo.org](mailto:kgarchar@oaklandzoo.org) for the orientation zoom link. There are three training dates per application period, and **all three training dates are mandatory**. Attending training is crucial to being a well-prepared volunteer, and we are unable to provide make-up trainings. Please check the training dates carefully and ensure that you will be able to attend before applying to be a Teen Wild Guide.

*All trainings are held in **Classroom 1** of the Education Center unless otherwise noted. How to get to **Classroom 1**: When you pass the parking attendant kiosk, make a left at the **SECOND** driveway. This will lead you to the lower entrance parking area. Come up the ramp (AC Transit bus stop is near the base) to the lower entrance green gate. Classroom 1 is directly across the entrance, to the right of the courtyard.*
