## Prayer Needs

Our Missionary Prayer Focus: Gideons International The Gideons International is the result of a meeting between two men who wished to band commercial travelers together for evangelism. What began in 1908 as an Association of Christian businessmen placing Bibles in hotel rooms has evolved into an expanding mission to provide Scriptures to all people in nearly every facet of life. Today, we have taken more than 2 billion Scriptures in more than 95 languages to 200 countries, territories, and possessions across the globe.
