December 2023

44th OSPMA Fall Conference

The 44th annual OSPMA Fall Conference kicked off September 19th at Sequoyah State Park with the Jim Shields Scholarship golf tournament and the return of the Fishing Derby.

The golf tournament was won by the team of Philip Sander-son from Allegon, Ryan Rehm from ES2, and Robert Bate-man from Eastern Oklahoma Tech Center with a sizzling 64. We had 14 teams this year, plus two \$500 donations from Yarbrough and Son HVAC and Everett Electric, (Thank You Charles Roof!)

making the 2023 tournament a great success. While the return of the fishing derby sponsored by Paul Davis Restoration, saw Shelly Hatton and Kim Lacky each taking home \$200 prizes, both ladies are from Pontotoc Tech Center. Wednesday evenings BBQ and Core Hole tournament was also something special with everyone gathered in the court yard and lots of activity. As usual Mace from ServPro did a great job cooking Firetrol supplying the sides and Blackmon Mooring running the Core Hole. It truly was a great night of fellowship, networking and fun. A big thank you to our vendors, who always step up to make this a special time.

Wednesday and Thursday were filled with instruction for Module 6 of the Core Certification program. Plus, a diverse set of breakout sessions covering topics like disaster mitigation, roof warranties and maintenance, care of custodial equipment, and fire extinguisher inspection.

We would like to thank everyone who worked to make this one of the largest conferences in recent memory. We hope everyone learned a lot and had a little fun also. Hope to see everyone again at the **2024 Fall Conference** **Lake Murray State** **Park Sept, 11 and 12, 2024**

That's right we're headed back to Lake Murray for the 2024 conference and NOW is the time to book your room or cabin, before we turn the vendors loose next month. Those of you who have attended a conference at Lake Murray know the number of actual lodge rooms is limited but they do have quite a lot of cabins, many of which have been updated recently. Just like last year you can book your room now and provide the PO at a later date. Just **Call Teresa at 580-223-6600 Ext. 2 and let her know you are coming.**

Lake Murray Room Nightly Rates are \$107.00-1 person/\$145 for 2 people

Cottage for 2—\$90.00

Cottage for 4 (Queen Bed w/Sofa Bed) - \$107.00-1 person/\$120.00-2 people

Cottage for 4 (2 Twins w/Sofa Bed) - \$107.00-1 person/\$120.00-2 people

Call Teresa today, as long as you provide a PO by conference time your room will be booked

WINTER TRAINING FOR MODULE #7 DATE AND TIME SET!

Cont. to pg. 3

OSPMA Winter Training

9:00 am February 21st, 2024

**Metro Tech Conference Center
1900 Springlake Drive
Oklahoma City OK 73111**

Instruction will be provided for Core Certification module #7.

Emergency Management, School Safety & Security

7.1 Emergency Planning

7.2 Security Assessment

7.3 After Hour Emergencies: How to Plan

7.4 Continuity Planning and Disaster Recovery

7.5 How are Oklahoma Schools Districts Preparing for Threats

With student and staff safety at the very top of the list for most of us, this is bound to be a very interesting and informative module. It's a 5 session module, so classes will begin at 9:00am and should conclude around 3:00pm. The session titles may change slightly as we finalize instructors but the information will be consistent with the Emergency Management, School Safety & Security theme. Coffee and rolls in the morning and lunch at noon will be provided. Be sure to get there early as we will again have a vendors room with 12-15 of the OSPMA Vendor group in attendance. These are the companies paying for the food so be sure to stop in, see what the latest information or equipment is and who knows, maybe even win a door prize! OSPMA shirts will also be available to order, in case you're wishing you had gotten one at the conference.

The Winter Training sign up form is on pg. 4 of this newsletter. It is also available at ospma.org or our Facebook page.

OSPMA Board of Directors 2024
