

AFTER-READING ACTIVITY

Help the dog detective find the animals!

DIRECTIONS: All the local animals have gone missing! Don't worry. Darnell the Dog Detective is on the case and he's making notes in his Detective Notebook.

Follow the footprints on the map. At each stopping place, write the **prepositional phrase** from the chart that makes the most sense.

Remember, the Dog Detective speaks **German**, so his notes should be written in **German**. If you need help translating these, read **Henry Hühnchen** again.

Prepositional phrases

to the pond	down the street
through the village	across the field
up a hill	into the cave
