

AFTER-READING ACTIVITY

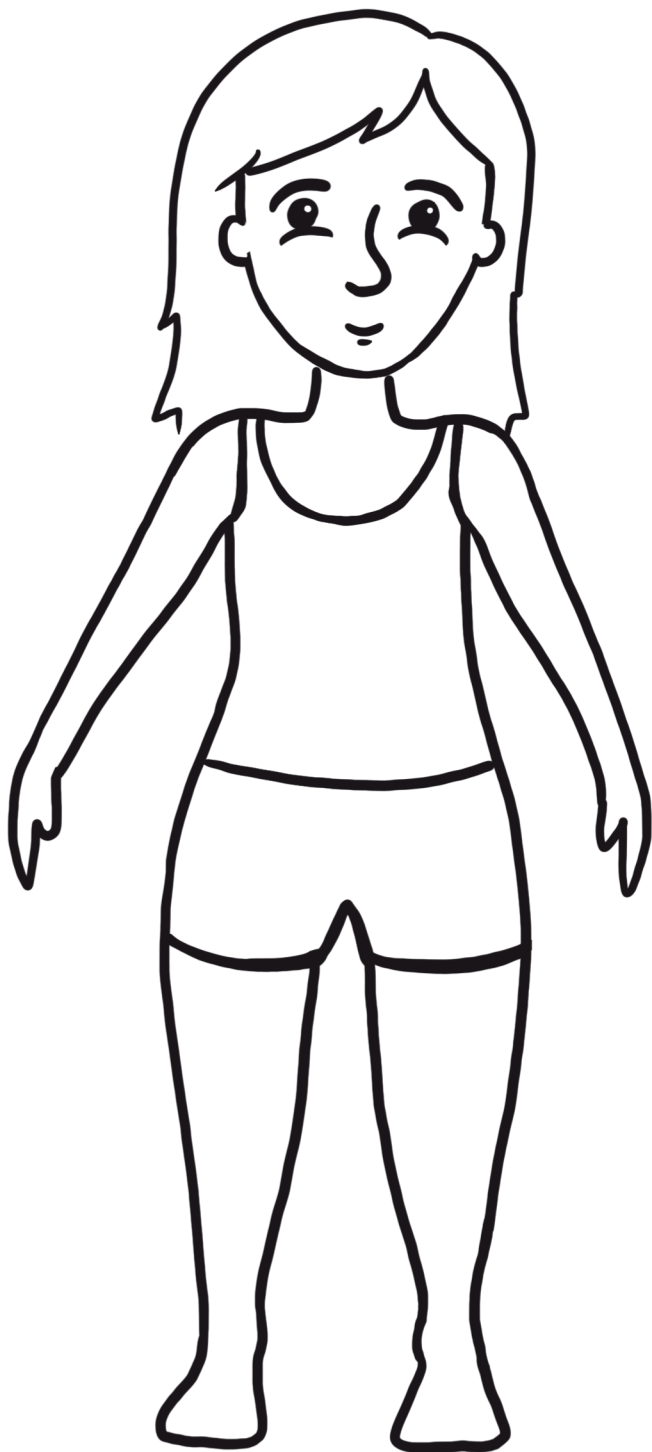

Cenicienta goes shopping

DIRECTIONS (Part 1): In the story, it took a lot of tries before the messenger found a foot that fit the glass shoe. Can you work out what these phrases mean in Spanish? Translate each phrase in the chart. (Look back at the story if you need help.)

es demasiado ancho	
es demasiado pequeño

DIRECTIONS: (Part 2) The cat is a great friend, but a terrible shopping buddy. Most of the clothes the cat picked don't fit. Cut out each numbered item of clothing on the next page. Put them on Cenicienta below. For each one, write down the phrase from the last activity that best describes the fit.

BONUS: Look up how to say the item of clothing in **Spanish** and include those words in your response.
