

VOCABULARY ACTIVITY

Don't feed the witch!

DIRECTIONS:

NOTE: You will need the food flashcards from the 'Food words' activity.

1. Do students remember how to say "I am hungry!" or "I am starving!" in German? Help them write the translations for these phrases in the speech bubbles for the characters below.
2. Have students work with a partner or an adult to play the game. Read the word on each food flashcard and see if students can translate the word correctly.
3. If they get it right, feed it to Hansel and Gretel (place the card on their plate). If they get it wrong, feed it to the witch!
4. Hansel and Gretel win if they have more food on their plate than the witch. Keep playing until Hansel and Gretel eat all the food!
