Year 7 Enrolment Information

What Makes us Special?

Our Lady of Sion College aspires to be a school that seeks truth through learning in a community of caring relationships – a community where each student is named and known, valued and nurtured, encouraged and supported through the personal relationships we foster.

Our College works in partnership with our families to support each student's development. We respect, value and celebrate each student's gifts and all that she brings to our community. Our faith, wellbeing, academic and co-curricular programs seek to affirm and celebrate each student's uniqueness.

We aim to foster in our students a love of learning, an enquiring and discerning mind, the pursuit of personal excellence, a compassionate concern for others and a strong sense of hope that they can become positive agents of change in their world. Ultimately, our learning environment and the varied opportunities we provide aim to support each student's journey towards becoming the young woman God created her to be.

Enrolment Process

To apply for enrolment at the College, visit our website at www.sion.catholic.edu.au and complete the online Application for Enrolment form. Once applications close, you will receive an invitation to attend an enrolment interview with your daughter. The enrolment interview is an important opportunity for us to meet with you and your daughter, and provides an opportunity to further discuss our College community. At the conclusion of the interview, you will be asked to complete a Preference Form, which indicates which Catholic school is the preferred option for your daughter for Year 7.

We liaise with neighbouring Catholic schools to ensure that students do not receive multiple offers. No student will receive more than one offer from a Catholic secondary school, and you should not receive an offer of a place earlier than the published date. The making of these early offers is outside of policy and places parents and other Catholic schools in a difficult position. Our Lady of Sion College will continue to adhere to the current enrolment policy and dates set by Catholic Education Melbourne. It is a matter to which schools should give the highest priority in terms of cooperative processes across the Archdiocese.
