# What is a DORA?

“Per R.C. 4301.82, a Designated Outdoor Refreshment Area or “DORA” (aka Outdoor Refreshment Area or “DORA”) is nothing more than a specified area of land that a local legislative authority has designated as exempt from certain open container provisions as defined within the legislative act that created the DORA. Thus, patrons within a DORA that purchase an alcoholic beverage for on-premises consumption from a DORA designated liquor permit holder can leave the permit premises with an opened alcoholic beverage container and continue consuming it within the DORA.”
