

Boys & Girls Clubs of San Francisco (BGCSF) has been a critical resource in our community for 129 years. Each new decade brought new challenges and opportunities - some local, some national, and some global. Through it all, BGCSF has been a force for good in kids' lives in San Francisco. Today, we find ourselves immersed in one of the greatest challenges that our nation has ever faced. Our lives have been upended by the novel coronavirus. Our local, state, and national economies have almost shut down. Resources are stretched. People are dying. Our divided nation suffers together.

Throughout this crisis, BGCSF once again stands tall. Everything that we have done throughout this crisis is 100% focused on the health and well-being of young people. From in-Clubhouse programs, to daily lunch service, to a virtual Clubhouse experience, BGCSF is offering a continuum of care for young people that is keeping them connected to their support systems, bringing routine and normalcy to their lives, and facilitating continued learning and advancement.

We Need San Francisco's Corporate Community More Than Ever

BGCSF is launching a \$3M funding drive to sustain our organization through September 30th, the end of our fiscal year. To lead the effort, our Board of Governors and Trustees are contributing \$1M and they are committed to leading the effort to raise the remaining \$2M. The campaign, Rise to the Challenge | Emerge Strong seeks to raise all the critical funds to replace the Club's three remaining events for the fiscal year -- the Gala, Golf Tournament, and Poker Tournament.
