

PREPARING FOR A **BRIGHT & SUCCESSFUL FUTURE**

With guidance from our skilled and caring staff and access to unique opportunities, Clubs help teens map out life goals, gain perspective on problems with which they struggle, and develop their professionalism. Throughout the year, teens also participate in community service and leadership programs.

THE CLUB CONNECTS TEENS TO OPPORTUNITIES THROUGH:

- College prep (assistance with college applications and college tours)
- Career exposures
- Mock interviews
- Advocacy and community spokesperson opportunities
- Connections to job opportunities and internships
- Scholarships and financial assistance
- Financial literacy programming
