

Homelessness and Rough Sleeping Action Plan

Priority 1

Reduce the current and future likely levels of homelessness

Impact

1. Advice and information is embedded within communities at every opportunity to educate and inform those who are likely to face the threat of homelessness in the medium to long term
2. Families are able to self-resolve the issues that lead to homelessness.
3. Homelessness in families and young people is reduced in the longer term.

Progress measures

- a) Number/amount of pre-56 days early prevention activity (new local measure)
- b) Ratio of positive outcome duty ended prevention cases against all duty owed cases of families with children (higher is good)
- c) Number of 'no duty owed' initial assessment outcomes (lower is positive)
- d) Ratio of potential or threatened homelessness cases, referred by public authorities and other organisations, against all referred cases.
