The Adirondack Coast GeoTrail

Embark on an outdoors adventure through scenic trails and unique attractions on the Adirondack Coast GeoTrail. Travelers will discover cache locations throughout the region including the shores of Lake Champlain, historic sites, farmland, a chasm, beautiful State Parks, hiking trails and more!

Geocachers take this passport, receive GPS coordinates and begin your journey to discover the Adirondack Coast. You will have a chance to receive a special edition geocoin, produced specifically for this geotrail, by locating geocaches on the Adirondack Coast.

How it works:

- Log onto goadirondack.com/geotrail to retrieve the coordinates and location information for the geocaches
- Geocaches are awarded points based on a ranking system of difficulty. Find enough caches to award you 50 points
- Once a Cache is found enter the date and code found in the cache onto the passport log sheet
- Bring in your passport to the address listed below once obtaining 100 points to receive the special edition coin

Adirondack Coast Visitors Bureau | 7061 Route 9 | Plattsburgh, NY 12901 USA | Open M-F 8:30am to 5:00pm
