CALIFORNIA & WINE INSPIRED AL FRESCO DINING

INTRODUCTION

True to its name, Hidden Gem restaurant & wine lounge, is a jewel overlooking the stunning landscape of Uluwatu. Welcome to our wine lounge restaurant, where you can indulge in a fantastic dining experience with a carefully curated selection of wines. Our wine lounge offers a chic and sophisticated atmosphere, with the most extensive by the glass wine list in Bali including over 30 wines from around the world, curated by our owner Max Loong DIPWSET, certified sommelier with The Court of Master Sommelier. His passionate team are on hand to provide you with personalized recommendations and guide you through the wine selection process, ensuring that your choice complements your meal perfectly. Whether you prefer a light- or full-bodied red, a crisp white, or a sparkling wine, we have something to suit every taste and occasion.

Our restaurant also boasts a delicious menu featuring a fusion of California and Asia inspired cuisine, expertly crafted by our Indonesian Chef Angelina, who has spent the past 8 years honing her craft in some of California's finest eateries. Drawing from a diverse range of Western and Asian influences, her carefully curated menu promises an unforgettable gastronomic journey. We take pride in using only the freshest, locally-sourced ingredients, such as the luscious fruits and vegetables from the picturesque Bali highlands of Bedugul. From the farm to your plate, she creates dishes that are bursting with flavor and creativity. At Hidden Gem you can savor the best of both worlds - exceptional cuisine and an outstanding wine selection. We promise an unforgettable dining experience that will leave you coming back for more.
