We are Focused on Grocery & Food Service

Porte Brown knows that restaurants, grocery and food servicing companies face many challenges in a crowded and highly competitive market. As the economy gradually turns the corner, there is a greater need for retailers & distributors to operate more efficiently, with further emphasis placed on cost reduction, expense management and customer retention.

Whether Porte Brown is implementing accounting systems for your business, consulting on projections and tax planning, consulting on internal controls, acting as the controller, or, working hand-in-hand with your controller, our team of experts will provide you with value-added counsel.

Porte Brown is a proud member of the **Illinois Food Retailers Association.**

Can a Porte Brown accountant actually help make you more money? **YES!**

Our bottom line goal is to save you more in taxes and to actively participate in your hard-earned success.

We would like to learn more about you and your business.
