Here at Amica Senior Lifestyles, we are always looking for ways to improve the lives of our residents in any way possible.

As such, we are thrilled to announce that we have chosen Welbi as Amica Senior Lifestyles' life enrichment platform. This new platform will allow us to better understand your loved ones' needs, interests, and hobbies so we can offer engaging, person-centered experiences.

We're looking forward to working with the Welbi team to continue providing activities that ensure your loved ones are engaged, active, and connected.
