We're thrilled to announce that we've chosen Welbi as Amica Senior Lifestyles' life enrichment platform of choice.

Welbi's mission of helping communities deliver exceptional and unique life experiences aligns perfectly with what we're looking to achieve with our life enrichment programs.

We're excited to get a deeper understanding of every resident's needs, interests, and hobbies so we can ensure that everyone in our community stays engaged, active, and connected.

We're joining the Welbi family!

Our new resident experience platform will help us get a deeper understanding of each resident so we can provide person-centered experiences that ensure every resident stays engaged, active, and connected.
