About APO

The American Pops Orchestra was founded in 2015 with a mission to breathe new life into orchestral pops programming and inspire diverse audiences to discover the wealth of the material in the Great American Songbook in dynamic new ways. Founder and Music Director, Luke Frazier, created The American Pops with the intent of breaking the mold of the traditional pops orchestra.

This new, distinctly “American” orchestra brings together versatile musicians and reimagined programming focused around the Great American Songbook, and presents it with an approachable, fresh spin in order to engage diverse audiences.
