FOR IMMEDIATE RELEASE

SS WHITE SUPPORTS NONPROFIT DENTAL CLINICS WITH PRODUCT DONATION TO AMERICA'S TOOTHFAIRY

(Charlotte, NC – July 30, 2018) Thanks to a generous product donation from SS White, non-profit dental clinics across the nation will be better equipped to treat thousands of children from low-income families.

Over \$90,000 in donated carbide burs, endodontic products, kits and accessories were donated to America's ToothFairy, a resource provider with a national network of non-profit clinics providing essential oral health care to underserved children and families in their communities.

"The children that these clinics serve deserve the same high-quality care as those who can afford to pay top dollar," said Tom Gallop, CEO of SS White. "We are proud to work with America's ToothFairy to provide non-profit clinics with the precision instruments they need to restore the healthy smiles of thousands of children."

"We are so thankful for generous corporate sponsors like SS White who truly care about our mission to restore the oral health of our nation's youth," said Jill Malmgren, America's ToothFairy's Executive Director. "When our Dental Resource Program clinics have the tools, instruments and products they need, they can provide the access to care that is so crucial to families that would otherwise have to go without."

About SS White

As a dental manufacturer, SS White has always strived to bring high quality dental products to market, to enable practitioners to work more accurately and precisely, and to maximize comfort and quality for each and every patient who enters a dental office. The company proudly bears the name of its founder and continually maintains its original objective: better products for better dentistry. Learn more at www.sswhitedental.com.

About America's ToothFairy

As a resource provider, America's ToothFairy increases access to oral health care by supporting non-profit clinics and community partners delivering education, prevention and treatment services for underserved children. Since its inception in 2006, America's ToothFairy has distributed more than \$18 million in donated products, educational materials and financial grants to improve oral health outcomes for children and youth in need.
