About Investor Summit Group

Investor Summit Group ("ISG") hosts the largest independent investor conference on the East Coast. Its independence allows conference organizers to focus on customer service and scheduling high-quality meetings between the executives and investors who attend. The ISG team sets the bar for quality service in a space traditionally dominated by banks who focus more on selling their services than on building the connections companies need to succeed. ISG has facilitated countless valuable interactions for its presenting companies, which have often led to increased exposure, market value appreciation and long-term growth.
