

# EXCEPTIONAL RESULTS LIFE CHANGING QUALIFICATIONS

shs | Stroud High  
Sixth Form

**"Pupils consistently build new learning on secure foundations. As a result, they achieve exceptionally well."  
Ofsted 2023**

We believe the environment at Stroud High helps our students to achieve and that our ethos of Everything is Possible has played a central role in helping us to become one of the UK's highest performing sixth forms.

Every grade tells the story of hard work and application combined with an experience in school which each and every member of staff helps create. Through the hard work and support of teachers and a learning experience that goes well beyond the classroom we know you can achieve more than you imagined.

When we ask our students why they join us, over 90% of them say it is the quality of teaching and the learning environment.

Year on year our students achieve results that place Stroud High School amongst the very highest performing state schools in the South West, and within the top state schools in the country.

High quality examination performance has been sustained over a number of years. In any given year A Level A\*-B grades range from 67-80% and routinely around half of all grades are at A\*/A.

Our students go on to access the full range of Universities and Degree Apprenticeships including:

- Oxbridge
- Medical School
- Renishaw
- Veterinary School
- USA universities
- Art College
- NHS
- J.P. Morgan
- Dyson Institute of Engineering and Technology
- Conservatoires and Performing Arts Colleges
- GE Aviation
- Rolls-Royce
- Vodafone
- Ministry of Defence

# EVERYTHING IS POSSIBLE.
