Welcome to Allandale Exchange

Allandale Exchange is a logistics park with 100 industrial spaces ideal for small warehousing, logistics, storage and light manufacturing. The site offers 24/7 on-site security as well as CCTV monitoring and electric fencing.

All the industrial spaces have one/three phase power with separate meters and roller shutter doors. All units have a modern yet industrial look. Each unit has an entrance area and ample parking for staff and clients. Some have double volume heights and upstairs offices looking into the warehouse. This newly acquired park will soon have a dedicated park manager and offer our signature state of the art business hub with 2 meeting rooms, reception and free Wi-Fi. There is also a Café/Coffee Shop, as well as additional storage options. The park's location is ideal with nearby transport links, highways and the Gautrain station

About the Area

Allandale is a bustling business node in Midrand situated along the N1 highway between Sandton and Centurion.

The area has experienced a great deal of growth and modernisation in the last decade, largely due to its excellent highway links. It is fast becoming a business nucleus mainly due to its proximity to residential areas, Grand Central Airport and its position at the centre of the Gauteng province.

Midrand provides a vital link between Johannesburg and Pretoria.
