Welcome to Tungsten Works

In the heart of sought-after Strijdompark in Johannesburg's West Rand, Tungsten Works is a fully refurbished and modernised mini-industrial complex revamped for a new generation of businesses.

Wholesalers, distributors, traders, importers, couriers and light manufacturers call the park their entrepreneurial home. It offers over fifty spaces to a wide range of businesses that have established themselves in the park for many years. The park boasts an array of modern, secure warehouse and storage units - all with interlink truck access, high electrical power, wide roadways, expansive yards, ample parking and good highway exposure. Each unit has double-storey offices, high-roller shutter doors, voluminous sky-lit roofs, large signage spaces and staff parking.

About the Area

Northwest of Johannesburg and minutes from Malibongwe Drive and the N1 highway, Tungsten Works is situated in a well-established light industrial node close to Randburg CBD.

A few hundred metres from the park are office complexes and a busy retail node - home to many motor dealerships, including Volkswagen, KIA, Nissan and associated spares and accessory businesses.
