

Newport Pagnell Police Office - Neighbourhood are back

The Newport Pagnell Neighbourhood Police team have recently moved into their new premises next to the fire station.

The Team is led by Sgt Tom Montgomery along with PC Nina Earls (not in photo) and the PCSO's cover the following areas (L – R) PCSO James Andrews (Olney) PCSO David Huckle (Rural West) PCSO Arlene Ormston (Rural East) Sgt Montgomery (PCSO Travis Philips and PCSO Terry Rhodes (Newport Pagnell). Sgt Montgomery comes to us with a wealth of knowledge around neighbourhood policing, and the team are looking forward to working with him.

Everyone is happy to be back in Newport Pagnell, and it helps the Olney and Rural Team to access to get to their areas easier, and for Newport Pagnell we can step out of the door and we in the town. If you see the team out and about please say hello.

Important note -the new police office ***is not open to the public***, and the nearest station with public access is Milton Keynes Police Station in Central Milton Keynes
