Honorable Board of Education Tulsa Honor Academy Oklahoma City, Oklahoma

We have compiled the accompanying statement of assets, liabilities, and net assets – cash basis for the Tulsa Honor Academy as of December 31, 2019 and the related statements of revenues and expenses – cash basis for the six (6) months ended. Prior year's comparative revenue and expense information and current year budgetary information are included in the related statements of revenue and expenses, as well as items listed in the table of contents under the heading supplemental information, which are presented only for analysis purposes. Our compilation was performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting and the budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting, in the form of financial statements and supplemental information that is the representation of the management. We have not audited or reviewed the accompanying financial statements and supplemental information and, accordingly, do not express an opinion or any other form of assurance on them. However, we did become aware of a departure from the cash and budgetary basis of accounting that is described in the following paragraph.

The regulatory basis of accounting requires a specific format of presentation of governmental funds and the accompanying presentation does not comply with that format. Additionally, fixed assets and any related debt are not included in the statement of assets, liabilities and net assets presented on a cash basis. Any such accounts are reflected in the statement of revenues and expenses as a corresponding receipt and/or expenditure of funds. The effects of these departures on the financial statements have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the School's assets, liabilities, net assets, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Tulsa Honor Academy.

Sincerely,

Jenkins & Kemper
