Mask Policy for Scholars & Visitors
Per guidance from the CDC and the Oklahoma Department of Health, Tulsa Honor Academy strongly encourages consistent and correct mask use when COVID-19 Community Levels are high. Tulsa Honor Academy supports the decision of anyone who chooses to wear a mask at any COVID-19 Community Level.

Mask Policy for Staff
Face coverings for THA staff will follow the same guidance outlined above for scholars and visitors. However, for staff members, staff who return from isolation after 5 days must continue to wear a mask on school property or at school events for 5 additional days, through Day 10. Day 1 is the first full day after symptoms develop or after the positive test if no symptoms develop.

If an employee indicates compliance is not possible due to medical reasons, the employee should be referred to Human Resources to request accommodations on the basis of disability. If an employee indicates that compliance with mask use is not possible due to religious reasons, the employee should reach out to the Chief Operations Officer to request an accommodation.
