How to Integrate Technology?

THE SAMR MODEL

Dr. Ruben R. Puentedura

Wakelet Overview

- What is it? A content curation platform.
- What can it do for my classroom? organize digital content, immersive reader, social app integrations, share and collaborate collections.
- Where do I access it? wakelet.com

Why Use This Tool?

ISTE Student Standards

3) Knowledge Constructor - (a) research strategies, (b) evaluate information, (c) curate information, (d) build knowledge.

6) Creative Communicator - (a) choose appropriate tools, (c) communicate complex ideas and (d) publish content.

7) Global Collaborator - (c) work with others from multiple viewpoints.

Wakelet Applications

- Substitution: Students view content from a collection related to their learning goal.
- Augmentation: Students build a collection with videos, images, and links.
- Modification: Students choose an extension or remediation activity from a curated collection.
- Redefinition: Students share resources in a group and critically evaluate their relevance to their research project.
