

Save Money at the DMV on EVs and Hybrids
with Azuga Insight

Oregon drivers of electric and high-mpg (40+ mpg) cars can choose how they will pay their vehicle registration fee, and Azuga makes the choice easy. With Azuga, you can enjoy free, interactive driving technology at your fingertips — and, depending on how much you drive, some cash savings.

Plug & play device

How does it work?

Before you purchase your new car, enroll in Azuga Insight for OReGO, Oregon's road usage charge program, and skip increased DMV registration fees. Instead, Azuga makes it possible to automatically pay smaller, more manageable road charges on a monthly basis while in OReGO.

Ask your dealership about the DMV registration fee waiver and whether your vehicle is eligible, or go to **Azuga.com/programs/OReGO** for details and FAQs.

What's in it for me?

Not only can you save money now and at registration renewal, you can continue to save as DMV fees increase over time. **Plus, Azuga services are FREE.**

Join today and experience a sense of pride in playing a part in historical changes happening in Oregon and the nation. Enjoy connecting with your car like never before and making a positive impact on our roads. Azuga makes it easy. Simply plug in a smart device and go!
