IDENTiRange™ - the success story...

When a major American Automotive Manufacturer approached Fixfire® in 1994 to mount Fire Extinguishers in awkward locations at their factory; Fixfire® rose to the challenge and set to work to develop the IdentiRange.

The outcome exceeded all expectations - not only were IdentiRange™ products installed throughout the factory - the IdentiRange™ quickly gained popularity and today, 1000's of IdentiRange™ products are installed in Industrial, Commercial and Healthcare premises throughout the UK.

17.1 This clause shall apply where the client is dealing as a consumer and the Consumer Protection (Distance Selling) Regulations 2000 apply.
17.2 Your right of cancellation
17.2.1 The Client has the right to cancel the contract at any time up to the end of seven working days after it receives the goods or, in the case of services, the date the Supplier sends its order confirmation (see below). A working day is any day other than weekends and bank or other public holidays.
17.2.2 To exercise its right of cancellation, the Client must give written notice to the Supplier by hand or post, fax or email, at the address, fax number or email address shown below, giving details of the goods ordered and (where appropriate) their delivery.
17.2.3 If the Client exercises its right of cancellation after the goods have been delivered to it, the Client will be responsible for returning the goods to the Supplier at its own cost. The goods must be returned to the address shown below. The Client must take reasonable care to ensure the goods are not damaged in transit.
17.2.4 Once the Client has notified the Supplier that it is cancelling the contract, the Supplier will refund or recredit the Client within 30 days for any sum that has been paid by it or debited from its credit card for the goods or services.
17.2.5 If the Client does not return the goods as required, the Supplier may charge the Client a sum not exceeding the direct costs of recovering the goods.
17.2.6 You do not have the right to cancel the contract if the order is for audio or video recordings or computer software which have been unsealed by you, or for goods which by their nature cannot be returned or are liable to deteriorate or expire rapidly. The Supplier will notify you at the time your order is accepted if this applies.

All images and descriptions including dimensions are approximate and are only intended to provide a general idea of the goods to which they refer and will not form part of the contract. All colours shown are representations. Although we make every effort to show our products in their original colours, due to photography, printing methods and individual monitors, actual colours may vary. The Company's policy is one of continuous improvement and it reserves the right to make reasonable changes to products specifications at its discretion. When placing an order with the Company, the Buyer must be satisfied that the Company's then specification is appropriate for its (or its customer's) requirements.
