

Drought Conditions

Support in Central and East Gippsland

MARCH 2019

AGRICULTURE VICTORIA

TECHNICAL SUPPORT

Technical and decision-making support for farm businesses	Additional services to be delivered by Agriculture Victoria and associated industry partners that will provide increased technical support to assist farm businesses manage dry seasonal conditions.	For upcoming farmer workshops, dry season preparedness information visit www.agriculture.vic.gov.au/dryseasons or contact your local Agriculture Victoria office for more information
One-on-one consultation sessions	<p>Agriculture Victoria is continuing to provide Central and East Gippsland producers with the opportunity to engage in one-on-one consultation sessions to assist them to manage current seasonal conditions and access support services.</p> <p>These consultations cover a range of topics including feed budgeting, feed rations, partial budgets, hay and crop decision making, water use and resource management, in addition to signposting other services such as Rural Financial Counsellors, Farm Household Allowance and concessional loans programs.</p> <p>For dairy farmers, Agriculture Victoria is providing this service in collaboration with GippsDairy.</p>	<p>For information contact Agriculture Victoria:</p> <p>Livestock: Darren Hickey, Bairnsdale (03) 5152 0496</p> <p>Dairy: Maria Rose Maffra (03) 5147 0843 or David Shambrook Leongatha (03) 5662 9999.</p> <p>Irrigation Janice Dowe, Maffra (03) 5147 0854</p>
Stock Containment Areas	Agriculture Victoria has developed a package of resources to support farmers in designing stock containment areas. Stock containment areas are a valuable tool to manage livestock and to protect soil and pasture resources during adverse seasonal conditions.	For dry season preparedness information visit www.agriculture.vic.gov.au/dryseasons or contact your local Agriculture Victoria office for more information
Feeding Beef and Sheep	Agriculture Victoria has developed booklets on feeding and managing beef and sheep during dry seasonal conditions.	
Weather and Climate	Information, tools and resources to support climate change risk management within the Victorian agricultural sector.
