

People Who Care is a not-for-profit organisation committed to supporting people to live the life they choose and have been doing this in our community since 1980. Our understanding of community services coupled with our experience and expertise has built a service reputation you can trust.

At the request of our clients we have commenced the delivery of Home Care Packages so we can continue to provide meaningful Care Management partnered with sensible Package Management and this is being offered across the Perth Metropolitan and Mandurah regions.

Our knowledgeable and friendly team will work with you to design the support services that matter most to you, ensuring that you stay safe, happy and healthy at home in your community.

Please feel free to call us on (08) 9379 1944 or email us at enquiries@peoplewhocare.org.au to connect with our Home Care Package team and find out more.

Government Funding and Out of Pocket Costs

Home Care Package Funds and Costs	Level 1	Level 2	Level 3	Level 4
Funds received from the Government for your Care and Support				
Daily Subsidy received by the Government	\$28.14	\$49.49	\$107.70	\$163.27
You may be eligible for a range of other additional supplements depending on your circumstances such as Dementia and Cognition, Enteral, Oxygen, Top-up, Veterans, Hardship or Viability supplement.				
Funds that might be contributed by you				
*Basic Daily Fee People Who Care do not charge the Basic Daily Fee unless required or requested by the Client.	\$11.22	\$11.87	\$12.20	\$12.53
Income Tested Care Fee This is determined by the Government.	Please check with Services Australia whether you will need to pay this.			

(Current as of the 20/09/2023)

* This adds additional funding to your package to access extra support should you need it.

Services

Our Home Care Package team will work with you to source the right People Who Care services to assist you in meeting your goals and living the life you choose. In addition to the services overleaf, we work with community businesses and providers to access safe and supportive supplementary services to achieve the highest quality of care for you.
