Calacatta Venato (3)

DESCRIPTION

Powdercoated Mild Steel Frame | Marble Top Options

DIMENSIONS

LARGE: $1335W \times 910D \times 330H \text{ mm} \mid 52.6W \times 35.8D \times 13H \text{ in}$ SMALL: $1070W \times 680D \times 420H \text{ mm} \mid 42.1W \times 26.8D \times 16.5H \text{ in}$

DISCLAIMERS:

METALS - All raw metals; brass, copper, mild steel in their respective finishes are unsealed. Metals in a raw, natural and unsealed state will oxidise and change in colour and tone. This is a completely natural process, therefore all our metal finishes will need to be maintained with an appropriate wax/crème, the application of which will build up a natural sealant over time. Ferrograin: a lightly textured matte paint finish.

MARBLE, STONE, GRANITE - Each slab of these natural materials vary in colour, tone, movement and veining; we find these variances an inherent and valuable part of the natural beauty of stone, no two pieces are the same making each OKHA design a unique, characterful piece and each product will be different from the next. We choose materials individually, taking full advantage of their natural imperfections and individual qualities.
