## Cape Lounge Chair with Stitches

An elegant armchair with an organic design. Its soft lines and chic details make the Cape armchair a real eye-catcher. The chair is lovely to sit in and available with or without visible stitching. In the Cape armchair's simple, yet rich design there lurks a detailed aesthetic and an implicit sensuousness. The armchair looks just as elegant in a modern building as in an old-fashioned luxury flat and has a light look by virtue of its slender metal legs.
