Cape 3 Seater

An elegant sofa with an organic design designed by Charlotte Høncke in 2017. Its soft lines and chic details make the Cape sofa a natural focal point. The sofa looks just as elegant in a modern building as in an old-fashioned luxury flat and has a light look by virtue of its slender metal legs. To achieve aesthetic perfection the Cape range is covered with exclusive furnishing fabrics. Cape is a light sofa, in whose simple design there lurks a detailed aesthetic and an implicit sensuousness
