Cocktail Chair and Pouf

The Cocktail armchair was designed in 1953, taking its name from the man who created it - the acclaimed Danish designer Arne Hovmand-Olsen, who became famous for his innovative, Scandinavian-style furniture. A snug and organic lounge chair, which combines classic virtues with warmth and character. The sophisticated arms add a lovely finishing touch to the design, inviting you to loll in the chair's embrace. For added comfort, there is also a classic pouf in the same sleek design.
