Herringbone Tile Side Table

Side table with tiles in herringbone pattern and powder coated metal frame with a lightly structured surface. Designed in 2017 by Charlotte Høncke. The design is inspired by the traditional tile-topped table which go back hundreds of years; indeed, the Herringbone Tile side table embraces historical references and classic craftsmanship in a contemporary design. The Herringbone side table is perfect as a sophisticated design element with modern charm. Choose between frames and tiles in several colours.
