COMMERICAL CONFIDENCE ONLINE
Commercial voice over is the workhorse of the industry. The technique and skill required makes it much more than “sell! sell! sell!”. Come expand your confidence with essential reading and acting techniques. You’ll perform in single & dialogue spots, bring attitude to the words, stay natural, and have fun! This preliminary class prepares you for more in-depth study in the commercial track.
Instructor: Jim Edgar

CREATING CHARACTERS ONLINE
Discover the many voices that live inside you! You’ll be encouraged to take chances, explore a sampling of different characters, and create a brand new character that has never been done before! This preliminary class prepares you for more in-depth study in the character track.

COMMERCIAL

BREAKING IT DOWN
Assess commercial copy at a glance by breaking down the script into common copywriting themes, rules you should recognize, and writing hints that reveal the unique message every commercial script contains. Once you develop the technical muscularity required by commercial copy, you’ll feel confident enough to tackle any VO script.
Instructors: Sally Clawson, Jim Edgar

NARRATION

NARRATION NUTS & BOLTS
Master three performance components that create the world of a narrative script. Find the tone to captivate the listener, harness your pace to reveal the message, and maintain consistency to keep them engaged.
Instructor: Pam Lorence

CHARACTER

CHARACTER PLAYBOOK
Build your book of character voices through the use of creative exercises, acting basics, and impulse. Your unique playbook might include real and exaggerated voices, heroes and villains, celebrity mash-ups, and various archetypes.
Instructors: Sally Clawson, Jim Edgar

ACTING

ACTING FOR VO
One of the misconceptions about voice over is that it requires proper and polished speaking, when in truth it requires emotionally connected and intentional talking. And since our emotions and intentions arise spontaneously, we must manufacture or “act” the emotion and intention authentically. That’s why it’s called voice acting, and not voice speaking. In this impactful class, you’ll build your foundation of an action-based approach to copy. You’ll discover your motivation, break copy down into beats, learn how to score a scene, and imbue your copy with meaning, subtext, emotion and intention.
Instructor: Michael Ray Wisely

VOICE

VOICE DEVELOPMENT
The Voice Core series starts with Sally going over the kinesthetic process of speaking, practicing warm-up and strengthening exercises, and performing heightened text that challenges even the seasoned speaker. Then Julia Norton will help you discover how to get through hours of narration and voiceover and realize the emotional roller coaster the voice actor experiences. She will cover creating an effective business plan, setting realistic goals, using time tracking and management strategies to stay on target, and conducting focused industry research. Then Sally will follow up with a go-to resource grid on who’s who in the industry and how they will play a part in your career growth, networking, and self-promotion. Lastly, Jim Edgar will serve as your fees and finance guide to help you figure out how to set your rates, determine industry standards, and figure out what to charge.
Instructors: Angeli Fitch, Sally Clawson, Jim Edgar

BUILDING YOUR BUSINESS

Then Sally will follow up with a go-to resource grid on who’s who in the industry and how they will play a part in your career growth, networking, and self-promotion. Sally now teaches classes and workshops in voice, acting, presenting and performing all over the Bay Area, including Berkeley Repertory School of Theater, Google Arts, and California Shakespeare Theater. In addition, Sally is a certified executive coach through the UC Berkeley Haas School of Business, and is the annual emcee at the Dreamforce conference hosted by Salesforce. Credits include 2K Games, Amazon Music Unlimited, Facebook, the California State Fair, Eisenhower Health, UC Berkeley, and Creativity Inc.
