Title: Training Counselor – In-Home/Community Support Aide

Application Closing: When filled

Number of Positions As needed

Salary: Based on Experience
Health and Welfare Benefits

Primary Functions: Under the direct supervision of the Community Specialist or Team Director, provides direct educational services, vocational services and trains for practical application of skills and social behaviors necessary for optimum levels of independent/interdependent living and vocational life for consumers with adaptive needs. Provides direct implementation of all objectives as assigned by the Community Specialist and participates in Kin groups that include consumers and family members. Lifting, pulling and pushing are primary activities of this job.

1. To implement the vocational and independent living skills objectives as set out in the consumer's individual support plan.
2. To be knowledgeable regarding specific consumer needs and backgrounds.
3. To participate in consumer IPP meeting and provide direct assistance to the consumer in the development of their Independent Living Skills and or vocational objectives.
4. To maintain progress notes and publish progress notes regarding assigned consumers specific objectives.

5. To maintain an up-to-date knowledge of the most current practices related to living independently and work.
6. To recommend changes or additions in a consumers program that would upgrade services provided by REACH.
7. To provide group and individual instruction in order to execute the individual support plans of each consumer.
8. To transport consumers to and from vocational and training activities in the community, when necessary.
9. Actively participate in all REACH safety programs.
10. Other duties as assigned by the Community Specialist or Team Director.

Minimum
Requirements:

A Bachelor's Degree in a relevant field related to the training, housing and vocational training of people with adaptive needs and one years work experience in one of these fields with persons with adaptive needs; or an AA degree in a related field with two years of experience with people with adaptive needs; or proof of an active effort to pursue a degree or credential mentioned above and three years experience with people with adaptive needs.

Demonstrate teaching abilities, keen understanding of training and vocational needs of consumers with adaptive needs and an understanding of the current Developmental Disabilities System in the State of California; a demonstrated interest in gaining new information regarding current and best practices related to adult services; ability to establish friendships with consumers and their families. The understanding of augmentative communication strategies with an emphasis in facilitated communication. Must have a valid California driver's license, automobile insurance, recent DMV printout with good driving record; and a reliable and safe vehicle; ability to lift 80 pounds; ability to work independently without direct supervision. Certification in CPR and First Aid. The ability to provide very clear and concise written and oral communications.

Application Procedure: Submit job application to REACH, 9300 Santa Fe Springs Rd., Santa Fe Springs, Ca 90670, Attn: Monica Rejniak, Human Resources Specialist (562) 946-0467 ex. 436 or e-mail to mrejniak@reach.services.

Selection Procedure: All applicants shall be screened for minimum requirements. Only the most qualified applicants will be invited to an interview. Thank you for your interest in REACH and Delta Services
