**Center Camp**

Camping will be at Wurr Flat Group Campground 1 & 2. Because it is a group campground, sites are not numbered and there is no map that specifies sites. You can camp anywhere that is not a road in either 1 or 2. Arrive by 9:00 pm at the latest. Be respectful of other campers and keep voices down and flashlights low if you arrive after 8:00 pm. Center camp will be at the picnic table area in Wurr Flat 2. Parking is available at the campground. There is enough room for about 55 cars. Please carpool if possible.

**Volunteers**

Volunteers who are working on the trail will be divided into crews and assigned a certified crew leader who will provide training on tool use and safety and will supervise the work throughout the day. V-O-Cal provides all necessary tools. Volunteers are encouraged to bring their own work gloves, though V-O-Cal does have gloves available. Please bring/wear comfortable work clothing and sturdy closed-toe shoes or boots.

**Weather**

Please come prepared for a variety of weather conditions (think layers!). Unless there is a serious storm predicted, we will work drizzle or shine. It can be rather cold in the redwoods in October, please bring lots of layers and enough to keep you warm at night!
V-O-Cal provides all meals for volunteers from breakfast Saturday through lunch Sunday. Vegetarian options are available for all meals.

- To minimize waste we ask that you bring your own reusable plates, coffee mug, cups and utensils. Hot water and soap are provided.
- A continental breakfast is served Saturday morning.
- Please arrive at camp by 7:45 am at the latest to check in, eat breakfast and prepare your lunch. We provide lunch and lunch bags.
- Appetizers and beverages will be available at 4:00 pm after the work day on Saturday. Dinner will follow at 6:00 pm.
- Hot breakfast is served Sunday morning.

**Meals**

**Hazards**

**SUN EXPOSURE | HYDRATION | HYPOTHERMIA**

Please plan for sun protection, including sun hats, sun block and light long sleeve shirts. We will be in the shade most of the day, but good to be prepared. Bring layers to keep warm as it can get cold in the redwoods. Please bring water bottles or a water bladder large enough to hold at least 2 liters of water. Drink plenty of water throughout the work day. If you feel tired or weak, let your crew leader know, and take a break.

**POISON OAK**

There are limited areas of poison oak. Have your crew leader point some out to you if you don’t know what it looks like. “Bunny suits” will be provided for those who need extra protection. Clean with Tecnu (which V-O-Cal provides) after the work day, and be cautious when handling your dirty clothes. Always wear gloves when handling tools.

** TICKS and MOSQUITOS and YELLOW JACKETS**

Ticks are always a hazard so it is important to check during and after the project. Bring bug repellent for mosquitoes or wear thick clothing. Stay calm around yellow jackets. Most will leave us alone. Crew leaders have first aid kits to help in case of bites/stings.

**SHARP TOOLS**

Please listen to your crew leader’s tool safety talk and observe proper tool use throughout the day.
Driving Directions
Wurr Flat #2 | Memorial County Park, San Mateo County, CA 94401

From the West:
Turn onto Pescadero Creek Road from Highway 1.
Drive past the Memorial County Park entrance.
Turn right on Wurr Road.
Turn right into the campground (a dirt path).

From the East:
Turn onto Pescadero Creek Road from Highway 84.
Turn left on Wurr Road.
(if you see Memorial County Park main entrance, you’ve gone too far west)
Turn right into the campground (a dirt path).
Children 14 and over are welcome on V-O-Cal projects. Volunteers under 16 must be accompanied by an adult.
To register, visit our website at [www.v-o-cal.org](http://www.v-o-cal.org) or [https://www.v-o-cal.org/project/pescadero-memorial-county-park](https://www.v-o-cal.org/project/pescadero-memorial-county-park)
