October is National Farm To School Month.
October is National Farm to School Month, a time to celebrate the connections happening all over the country between children and local food! Everyone can get involved with farm to school! Try a new local food with a taste test, plan a field trip to a farm, serve a local food item for lunch or as a snack, plant seeds or harvest from a garden, or read a farm or food-related book! How will you show your support for farm to school this October? Find more activity ideas, resources, and materials for celebrating at farmtoschool.org
