

ALONZO'S NEWS -

A PERIODIC LOOK AT WHAT ALONZO IS UP TO

DECEMBER 9, 2016

On a recent Sunday, Alonzo produced a sculpture of a totally different kind, not at all his typical animal works. It is this remarkable crucifix. When asked if he saw a similar image in a magazine, he replied, "In the sky." Later, he elaborated, "I was sleeping. Saw the Roman soldiers walking around." It seemed that he had touched upon a new and profound source of inspiration.

We are interested to know if fans of Alonzo's work would like to see this sculpture cast in bronze.

Alonzo's main project for the fall has been this donkey mother and her young.
