

## AdvanceTEC Named to ENR's 2017 Top 600 Specialty Contractors List

*Engineering News-Record award recognizes AdvanceTEC's continued success*

**Richmond, VA, December 31, 2017** – AdvanceTEC, a leader in cleanroom design, construction and process integration, today announced that it has again this year been named to Engineering News-Record's (ENR) Top 600 Specialty Contractors listing. The ENR 2017 award recognizes AdvanceTEC based on the company's 2016 annual cleanroom construction revenues.

"I'm excited that AdvanceTEC is once again included on the ENR Top 600 List of Specialty Contractors," stated Bryan Phelan, AdvanceTEC managing partner and director of sales, marketing and business development. "AdvanceTEC's continued growth is a direct result of starting every project with listening to our clients. We strive not only to understand their project requirements, but also their business objectives and definition of success. This approach drives overall project success and AdvanceTEC's continued growth."

Through lists like the Top 600 Specialty Contractors, ENR supports the construction industry by performing annual surveys of its key segments, and ranking companies engaged in general contracting, specialty contracting, engineering, architecture and environmental services, among other specialties. The rankings, based on annual revenue at home and abroad, are further divided into specific market categories. Published online at [www.enr.com](http://www.enr.com), the Top 600 Specialty Contractors listing is based on revenue generated from projects during the preceding calendar year.
