
AdvanceTEC Recognized in the Richmond BizSense RVA 25

Exclusive list ranks the fastest-growing companies in the Richmond area

Richmond, VA, October 7, 2013 – AdvanceTEC, a leader in cleanroom design and construction, today announced that it has been recognized by Richmond BizSense on its exclusive RVA 25 list. The RVA 25 identifies and celebrates the region’s fastest growing and most dynamic companies – those that support the local economy with new jobs and innovative products and services. Inclusion on the list is determined based on a blended average of annual revenue growth and annual percentage growth.

“AdvanceTEC is honored to be recognized for our growth by Richmond BizSense in the RVA 25,” noted Bryan Phelan, AdvanceTEC managing partner and director of sales, marketing and preconstruction services. “We see our growth as a direct reflection of how well we are serving our clients. We believe that we will succeed as a company if we focus on bringing solutions to our clients and taking care of their project objectives. This focus has led to a proven track record of completing projects on time, within budget and to specification – and a growing base of satisfied repeat and referral customers.”

Complete results of the RVA 25 can be found on the Richmond BizSense website at www.richmondbizsense.com.
