

The Baltic Sea Action Plan (BSAP) Fund

- Set up in 2010 to speed up the implementation of the HELCOM Baltic Sea Action Plan (BSAP)
- Funding of projects addressing one or several of the environmental challenges in the Baltic Sea.
- Early-stage grant funding of EUR 30,000 – 200,000 to get projects “off the ground” and test new solutions.
- Funding of projects of public, private and non-governmental organisations as well as their partnerships
- Latest round for applications (Dec. 2021) resulted in 12 approved projects from 5 countries, for a value of EUR 1,200,000.
