

SECURE YOUR FACILITY

Daxko has partnered with Brivo, the global leader in cloud-based physical access control, to bring you a solution that is integrated with Daxko Operations, allowing you to manage access points anytime, anywhere. Brivo guarantees 99.9% uptime and serves more than 9 million users.

FULLY INTEGRATED SOFTWARE AND HARDWARE

Daxko Facility Access integrates with external hardware needed to secure your facility, including your parking garage, interior and exterior doors, and more

CUSTOMIZED ACCESS POINTS

Access point entry can be tailored by demographics such as membership type, age, gender and program interest

TRACK FACILITY USAGE

Data analytics allow you to understand facility usage and make strategic decisions around future facility planning

FOCUS ON THE MEMBER, NOT MAINTENANCE

Daxko's service model provides a predictable monthly cost, and alleviates the risk that comes with infrastructure management and maintenance

KEEP YOUR MEMBERS SAFE

IMPACTING RETENTION AND THE BOTTOM LINE

"24 hour access has been a great success. Year over year, we are up 1,000 members!" Daxko Facility Access users utilizing 24-Hour access have seen membership increases of 25%."

Kelly Corbin, Knox County YMCA

EXPANDING YOUR OPTIONS

20% of your membership on average will leave when a competing 24/hr facility opens in your community.
