

Alert Level 2 - TEU Advice

- **If you are unwell, stay home. Get tested.**
- **Your workplace must have a clear health and safety plan. Staff health and safety reps must be involved in meetings and planning.**
- **Say no if it can't be done. Your wellbeing and safe workloads are the priority.**
- **Contact your manager in your institution to let them know if you are at risk.**
- **Stay connected with TEU;
