

TEU support for workers on casual & fixed-term agreements

Our Te Koeke Tiriti tells us to take actions that seek to improve the lives of the most vulnerable - Awhi atu, awhi mai.

The impacts of COVID-19 are uneven and in the tertiary education sector they are impacting very harshly on casual, hourly-paid, and fixed term workers. To support these workers, TEU membership is going to be free for the rest of 2020 to anyone on a casual, hourly-paid, and fixed term agreement and earning less than \$15,000 a year.

So if you qualify – you earn under \$15,000 and don't have permanent work – join now. If you're already a member and qualify – you earn under \$15,000 and don't have permanent work – email us and we will process a refund of your fees from the period of 1 August 2020 to 31 December 2020
