Paint Protection Film

WARRANTY & CARE INFORMATION

Congratulations! Your vehicle is now protected with our advanced paint protection film technology.

CARE & MAINTENANCE INSTRUCTIONS:

ExoShield **MACH 12** Paint Protection Film was designed to give your vehicle a flawless appearance for many years.

To get the most out of your film, we recommend that you follow these tips:

- ❌ **DO NOT** wash your vehicle for the first 48 hours post-installation.
- ❌ **DO NOT** use abrasive scrubbing pads for washing or cleaning.
- ✅ **DO** hand wash your vehicle regularly to help maintain the appearance of the film. Avoid pressure washing the film when possible.
- ✅ **DO** keep the surface of the film clean by removing any bird droppings or tree sap.
