

EXOSHIELD

GT3+

Windshield Protection Film

WARRANTY & CARE INFORMATION

LET IT CURE FOR 48H

It's normal to see some distortion in the film initially. Avoid getting the film wet or using the wiper blades during this time.

REGISTER YOUR WARRANTY

Your ExoShield windshield protection film comes with industry-leading warranty coverage. See the back of this card for details.

WINDSHIELD PROTECTION FILM

CARE INSTRUCTIONS

DOs...

- ✓ Keep wipers free of dirt & debris by cleaning regularly with a damp cloth.
- ✓ Hand wash with soap and water or make sure to choose a touchless car wash.
- ✓ Only use approved coatings or surface treatments on ExoShield GT3+.

DON'Ts...

- ✗ Don't pressure wash your windshield as this could damage the film.
- ✗ Don't use ammonia-based glass cleaners or windshield washer fluids.
- ✗ Don't use metal, perforated, or rough plastic ice scrapers on ExoShield GT3+.
- ✗ Don't leave sap or bird droppings on ExoShield GT3+ for an extended time.
