The Warranty

What is Covered

This Limited Product Warranty ("Warranty") covers manufacturing defects in the ExoShield GT3+ windshield protection film ("ExoShield GT3+"), including cracking, delamination, discoloration, hazing, and yellowing.

This Warranty applies solely to ExoShield GT3+ professionally installed by an **authorized** ExoShield installer.

What We Will Do For You

If your ExoShield GT3+ windshield protection film is determined by Alchemy to be defective due to a manufacturing defect within 3-years[†] from the date of purchase ("Warranty Period"), subject to the exclusions below, Alchemy will provide removal and/or replacement of ExoShield GT3+ at no charge to you. This is subject to your ExoShield GT3+, upon Alchemy's inspection and sole discretion, having been found to be properly installed, adjusted, used, maintained, and/or operated in accordance with Alchemy's recommended methods for installing and properly maintaining ExoShield GT3+.

If Alchemy chooses to replace ExoShield GT3+, replacement performed by the **original** ExoShield installer is the sole remedy covered under this Warranty, and limited to replacement with ExoShield windshield protection film that is available at the time of replacement. If the original ExoShield installer is unable to perform the removal and/or replacement of ExoShield GT3+, Alchemy will, on a best efforts basis, identify an alternate authorized ExoShield installer of its choice for the removal and/or replacement of your ExoShield GT3+. If you elect to have your ExoShield GT3+ removed and/or replaced by an alternate installer, Alchemy will cover parts and labor only.

Any ExoShield GT3+ replaced under this Warranty remains covered by this Warranty, but will not renew or extend the original Warranty Period.

†The ExoShield GT3+ Limited Product Warranty period of 3 years is applicable only to purchases made through an authorized ExoShield GT3+ installer in North America (Canada, USA, Mexico) & Europe. For eligible ExoShield GT3+ installations performed outside of these specified regions, this Limited Product Warranty term applies for 2 years.

Claiming Your Warranty

To claim any defects covered under this Warranty, please contact your original installer to initiate the claims process. The following will be required by Alchemy to determine if your warranty claim is valid:

1. A copy of your original invoice with the ExoShield GT3+ purchase date
2. Photographs and/or videos that clearly show the defect claimed with ExoShield GT3+ still fully installed on the vehicle.

All ExoShield GT3+ purchases must be registered on getexoshield.com to be eligible for this Warranty. In absence of a warranty registration, Alchemy will provide warranty coverage if the original invoice is provided.

This Warranty is transferable only if the purchase was registered to the vehicle on getexoshield.com or if the new owner can provide the original invoice with the ExoShield GT3+ purchase date, provided ExoShield GT3+ has been maintained and used in accordance with Alchemy's care instructions. Transfer of this Warranty only entitles the new owner coverage for the remainder of the original Warranty Period.
