Subject: Letter of Reference and Recommendation
Byrom-Davey, Inc.

Dear Sir/Madam:

I am pleased to provide this letter of reference for Byrom-Davey, Inc with the construction of synthetic turf football/soccer fields. Byrom-Davey, Inc has an extensive amount of experience and leadership in the field of Synthetic turf which is critical in this specialized industry.

At my previous and current districts, Byrom-Davey, Inc. successfully installed two CIF football and soccer fields to exacting specifications both on time and in budget. The work performed was completed in a professional and expeditious manner which enabled the District to maintain their football schedule with minimal disruption over the completion of both projects. I have found Byrom-Davey, Inc. provides personal attention in diligently managing every project assigned to their firm. Steve Davey has a level of ethical quality that is sometimes lacking in the construction industry today. Both Steve and his staff worked well with the District to bring the project in on time and help reduce overall project costs.

I would be happy to discuss my experiences with Byrom-Davey in more detail if needed. Do not hesitate to contact me at (909) 797-0174 x203.

Sincerely,

David Stevenson
